been deputed to Mysore by the Reserve Bank was satisfied about the men who were chosen.

Janab SYED ABDUR RAHMAN (Chikmagalur *cum* Shimoga-Muslim).— How long this survey will take?

The Hon'ble Sri T. MARIAPPA.— Till it is over. It is still in progress.

Janab SYED ABDUR RAHMAN.— How long will it be conducted?

The Hon'ble Sri T. MARIAPPA.— I think the total period fixed is about six months.

Janab SYED ABDUR RAHMAN.— Is it likely to be extended to other villages also?

The Hon'ble Sri T. MARIAPPA.— Sir, for the present it is not within our power. It is the Reserve Bank that has fixed up the period.

Janab SYED ABDUR RAHMAN.— So, the initiative rests entirely with the Reserve Bank of India and not with this Government?

The Hon'ble Sri T. MARIAPPA.— It is not a question of initiative at all. It is on an All-India basis they are conducting this survey.

Janab SYED ABDUR RAHMAN.— With what object?

The Hon'ble Sri T. MARIAPPA.— I have already said "Rural Credit Survey".

Janab SYED ABDUR RAHMAN.— How are you going to improve the villages that come within this scheme?

The Hon'ble Sri T. MARIAPPA.— They have devised measures with a view to rehabilitate rural areas.

Janab SYED ABDUR RAHMAN.— How Sir?

The Hon'ble Sri T. MARIAPPA.— Let us wait and see.

Janab SYED ABDUR RAHMAN.— Will there be any financial help?

The Hon'ble Sri T. MARIAPPA.— Certainly.

Request for discussion on India Government orders re: Equation of posts of ex-Railway Officers of Mysore.

Mr. SPEAKER. (The Hon'ble Sri V. Venkatappa).—Sri M. Veerappa has given notice that he wants to raise a debate on a question put during this session relating to the orders passed by the Government of India on the question of equation of posts of Mysore Ex-Railway Offiers. The letter is as follows:

"Under Rule 39 (1) of the Rules of Procedure, I may be permitted to make a statement in the matter of the consequences that have arisen due to the recent order passed by the Government of India, in the matter of equation of posts of the Ex-Mysore State Railway Officers, with a view to raise a discussion on this question on the floor of the House, to-day after the conclusion of the business."

The Hon'ble Minister has agreed to the discussion and it will be taken up today after the conclusion of the business for the day.

Programme of work for the rest of the session.

Sri L. SIDDAPPA (Shimoga District—General).—Do you give us any idea as to when exactly we would be able to leave Bangalore for our places Sir?

The Hon'ble Sri H. C. DASAPPA (Leader of the House).—I do not know whether my Hon'ble friend Sri L. Siddappa was here yesterday when I made a short statement in this behalf. It depends upon the House itself. If they are willing to sit for another 3 or 4 days, we will get through the Inam Bill, or if the House is not in favour of sitting, we may have to meet on the 16th or 17th and go on for 3 or 4 days. So, it is a matter where Government do not like to say that it wants to extend the present session or adjourn the session. It is left entirely to the House.

Sri L. SIDDAPPA.—So, what have you decided?

The Hon'ble Sri H. C. DASAPPA.—We are ready for continuing if the House has no objection.

Sri M. GOVINDA REDDY (Chitaldrug District—General).—We will get through the work, Sir, in view of the elections coming and all of us would be engaged in it. It is better to sit for one or two days more and get through the work once for all. It may not be possible to meet, as the Hon'ble Minister has suggested, on the 16th or 17th. That would be very inconvenient. And the next month also would be inconvenient for both the Members and the Government. I would therefore suggest humbly that we may continue to sit for two or three more days and get through the work.

Sri H. M. CHANNABASAPPA (Mysore District—General)—I agree with Sri Govinda Reddy. We have got a very important Bill, namely, the Abolition of Inam Tenure Bill. We have gone half way and it is not convenient for us to meet again either this month or next month or even in January next, because most of the Members would be either candidates for election or would canvas for their friends. In view of the fact that we wanted this Bill to be put through, I appeal to the Hon'ble Members to sit for a day or two more and pass the Bill. It may not be possible to meet again till February.

Sri L. SIDDAPPA.—We will sit somewhere in February and.....

Sri H. M. CHANNABASAPPA.—I will leave it to the House. Anyway, in my opinion, we may sit for 2 or 3 days more and pass the Bill.
